About NIESBUD Library

The NIESBUD Library & Information Service section was established in 6th July1983 to act as assistance for the development of research and training in New Entrepreneurs. The Library constitutes a major resource for learning, teaching and research. The Library has created computerized database on Entrepreneurship Books. Internet Service facility is also available in this section. It's also provides Circulation service, Reprographic Service against a reasonable charge. Current Awareness Services (CAS), Selective Dissemination of Information (SDI) and reference service on selected topics in the field of Entrepreneurship is prepared by the Library & Information Service Section monthly basis on Entrepreneurship. The digital copy of Entrepreneurship Development Programmes, CAS & SDI services are send to the e-mail addresses of our participants. Loose Journals and reference books are available to all within the library reading room. The book collection is classified according to the Dewey Decimal Classification (DDC), and Catalogue Code (AACR-2) is used for cataloguing.

The Library is used by the International & National Participants during the programmes conducted by NIESBUD. The library is also used by the NIESBUD Officers, Faculties, and Staff members as well as the outsiders Researchers obtaining necessary permission.

Function and Services:-

The library has a special responsibility to keep its clientele up-to-date and intellectually stimulated by providing pertinent literature, not only in areas of immediate concern, but also in areas of emerging and developing importance within the scope of the library; and by contributing to the preservation; transmission, and accessibility of new knowledge. All potential users have direct access to the shelves of the books and journals and offers extensive reprographic services to users from all over India.
